# RS1 Value Rack

Siemon's Value Rack provides an economical, durable solution for mounting and securing IT equipment in telecommunications spaces. With integrated bonding and grounding, visible U space markings and compatibility with Siemon's full range of cable management solutions, the Value Rack saves time, labor and floor space in a variety of indoor installations. Siemon offers a full range of cost-effective cable management accessories to include as part of a Siemon Value Rack System.

Accessibility
Open header design offers easy access for routing cables and includes holes for securing cable tray

Durability
Heavy duty construction offers 544 kg (1200 lb.) weight capacity

19-in. EIA, Universal Rail Spacing
- #12-24 threaded equipment mounting holes in 76mm (3 in.) deep channels
- 44.5 mm (1.75 in.) high U spaces marked and numbered

Easy to Assemble
Installs with standard hand tools

Stability
Mounting holes provided for bolting/anchoring to floor

Excellent U Visibility
U space markings remain visible with rack-mounted equipment installed and align with cable management fingers for easy identification.

Integrated Ground Path
Bonded assembly with integrated ground studs

Cable Management
Compatible with Siemon's full range of cost-effective horizontal and vertical cable management solutions

Product Information

Specifications

U Space	45U (1U = 1.75 in. (44.5mm))
Height	2.1m (7 ft.)
Overall Width	516mm (20.3 in.)
Rail Depth	76mm (3 in.)
Weight	21kg (47 lbs.)
Load Rating	544kg (1200 lbs.)
Material	Cold rolled steel
Finish	Painted, Black e-coat
Packaging	Ships unassembled in a compact carton
Standards Compliance	UL 1863, EIA-310-D, RoHS

Fully compatible with Siemon's wide range of vertical and horizontal cable managers.

Ordering Information

Value Rack System

Part Number	Description
RS1-07-S	Value Rack, 2-post open frame rack. Includes rack assembly hardware, (30) #12-24 screws and (2) grounding nuts

Value Rack and Cable Management Accessories

Part Number	Description
VCM1A-(XX)S-1-45	Value Vertical Cable Manager, 45U, Single Sided
VCM1A-(XX)D-1-45	Value Vertical Cable Manager, 45U, Double Sided
HCM-6-(X)U	RouteIT horizontal cable manager with 152mm (6 in.) fingers and cover
SH-S19-01 **SH-V19-01**	Single-sided equipment shelf, 3U, solid or vented Height: 133mm (5.2 in.) width: 483mm (19 in.) depth: 386mm (15.2 in.)

HCM-6-2U

VCM1A-12D-1-45

SH-S19-01

Use (XX) to specify width:
4 = 102mm (4 in.)
6 = 152mm (6 in.)
10 = 254mm (10 in.)
12 = 305mm (12 in.)

Use (X) to specify height:
1 = 1U
2 = 2U
4 = 4U
Add "-D" to end of horizontal manager part number for double-sided version (2U only)
